

## **Preparing for Independence: Easing the Transition between Adolescence and Adulthood for Individuals with Disabilities**

October 6, 2016

Candice Gangl, OTD, OTR/L

### Group Discussion Questions

1. In what ways do I / does my organization prepare clients and their families for transition from adolescence into adulthood? What are we already doing? Is it effective?
2. How can I / my organization improve the way we serve clients and their families regarding transition issues?
3. How can I help clients / families create personal goals regarding transition?
4. What points or ideas resonated with me during this presentation?
5. How can I encourage my clients and their families to be more proactive about transition?
6. When do we discuss transition topics in my organization / practice? Who is involved? Is there anyone else who should be included?
7. When / who discusses sexuality in my organization? Do we need more training or resources?
8. How do we document transition related discussions or activities?
